

PLAYING LESSONS WITH THE COACH CAMP

Join Coach Lumsden for a round of golf at one of our beautiful area courses. We will meet at the course where you will get tips and instruction on course etiquette, club selection, proper swing, proper grip, the rules of golf, scoring, and how to play a better round of golf. Coach Lumsden is not a golf professional, but has 30 years' experience playing the game and 3 years' experience coaching at the high school level. Tuition includes greens fees and range balls where available. All campers should have access to golf clubs, and should have a basic knowledge of the game and how it is played. We will be playing golf; therefore proper golf attire is required. Campers should wear a collared shirt and appropriate footwear. No cut off shorts or jeans. All course rules apply.

Campers under the age of 16 will walk the course unless accompanied by an adult. Club rental and pull carts are available for an extra charge.

July 26-30 8:00 am – 11:00 am

\$190 per student

(Includes Greens fees and range balls)
